

Job Description: Machine Learning Engineer (2 Years of Experience)

AI Innovations, San Francisco, CA, USA

About Us

At AI Innovations, we are dedicated to leveraging cutting-edge technology to drive innovation and solve complex challenges. We are currently seeking a talented Machine Learning Engineer to join our dynamic team in San Francisco.

Job Description

We are seeking a Machine Learning Engineer with a minimum of 2 years of experience in developing and deploying machine learning models. The ideal candidate will have a strong background in data science, statistics, and programming, with a focus on creating scalable and efficient ML solutions.

Responsibilities

Develop and deploy machine learning models for various applications, such as recommendation systems, natural language processing, and computer vision.

Collaborate with data scientists and software engineers to integrate ML models into production systems.

Optimize and fine-tune machine learning algorithms for performance and scalability.

Conduct exploratory data analysis, feature engineering, and model evaluation.

Stay updated with the latest trends and technologies in machine learning and AI.

Requirements

Minimum of 2 years of experience as a Machine Learning Engineer, Data Scientist, or similar role.

Proficiency in programming languages such as Python, R, or Scala for data manipulation and model development.

Solid understanding of machine learning techniques and algorithms such as supervised learning, unsupervised learning, and deep learning.

Experience with machine learning libraries and frameworks such as TensorFlow, PyTorch, scikit-learn, or Spark MLlib.

Strong analytical and problem-solving skills with a keen attention to detail.

Bachelor's or Master's degree in Computer Science, Data Science, Engineering, or a related field.

Benefits:

Competitive salary and benefits package.

Health, dental, and vision insurance coverage.

Opportunities for professional development and training in AI/ML technologies.

Collaborative and innovative work environment with flexible hours.

Opportunity to work on cutting-edge projects and make a meaningful impact.

AI Innovations is an equal opportunity employer committed to diversity and inclusion in the workplace. We welcome and encourage applicants of all backgrounds to apply.

How to Apply

Please send your resume and a cover letter highlighting your relevant experience and projects to careers@aiinnovations.com. We look forward to hearing from you!
